BEST FIELD IN  
YEARS TO START  
IN THE SUBURBANClassic Will Feature Opening  
of Empire City Jockey Club  
Meeting on Wednesday.

By Vincent Trencher.

THE Suburban Handicap, which marks the opening of the meeting of the Empire City Jockey Club at Belmont Park next Wednesday, has attracted a higher class of horses than has started in this classic in years. This is due mainly to the fact that the big event closed later than usual, and there are more horses ready to race for the rich stake.

Thirty-two horses have been allotted weights, and because no many owners and trainers believe that a field of about fifteen will face the barrier. The roomy track at Belmont Park will give every horse a chance. With Roamer, Stromboli, Harmonicon, Tartar and Short Grass at the top of their form, it means a great struggle among the older devils to beat those good three-year-olds, The Finn and Pebbles. The handicapping has been done with great care. Indeed, in no other Suburban has such an evenly balanced field been named to start.

Borrow is given 126 pounds in the Suburban, but will not be here to race. This gives Roamer the place of honor with 125 pounds. The other entries and weights are: Stromboli, 122; Short Grass, 120; Harmonicon, 118; Buckhorn, 117; Hodge, 116; Rock View, 115; The Finn, 113; Pebbles, 111; Bayberry Candle, 109; Tartar, 108; Norse King, 108; Gainer, 108; Iron Duke, 107; Sharpshooter, 106; Robert Brown, 105; Addie, 104; Comely, 103; Totan, 103; Half Rock, 102; Sam Jackson, 100; Double Eagle, 100; Sam McKeekin, 100; Charleston, 100; Flying Fairy, 99; Bookie Bill, 97; Chatter Mail, 95; Top Hat, 95; Runes, 93; Garbage, 93; Hugs-not, 90.

The other highlight for the opening day will be the Frivolity Stakes, for two-year-olds. There will be several well thought of juveniles making their first appearance under-sills in this race. In addition to the many clever performers who have already become known by their display of quality, while for the first time hereabouts a willow-stemmed Cypripis George, who is rated as one of the best two-year-olds shown on the Western circuit this season.

Harry Lee, the well known gentleman rider of Brooklyn, has arrived at Belmont Park with Big Sandy and Jim Hanson, two useful jumpers. They were made ready under the supervision of Mr. Lee this spring. Both horses earned second honors during the Country Club meeting and in good company. Big Sandy, the following Cherry Malotte home in the Grand Annual Steeplechase. Later the two horses were shipped to Hamilton, but were unable to find a stable room and were shipped to Belmont Park, where they really made the trip. E. Klenck will do the riding for the stable in the open races.

Quartz showed yesterday that he will be hard to beat in the future when galloping throughout, going the five furlongs in 59.

Hole in Fence  
Won for Naps

CLEVELAND, July 10.—The Yankees attributed defeat yesterday to a hole under the left field gate.

The Indians had three runs, with two out, when O'Neill in the fourth sent the ball over third base for what would have been a three-bagger. The ball rolled toward the gate and then bounded through a hole in the wall. This gave the Indians their fourth run and the game. Had the ball not found the hole O'Neill would have been left on third, as Mitchell struck out.

Willie Ritchie writes that he will spend two months hunting and fishing in California, and will go into training early in September in hope of getting another crack at Freddy Welsh.

Weight is going to take a two months rest, also in California, and announces that he will fight again after the vacation.

Wonder if Ritchie and Freddy have the same thing in mind? Their dates seem to agree.

TALK of a match between Packey McFarland and Mike Gibbons is still going the rounds. There's little chance that the match will ever be made. And if it was it would be one-sided and Gibbons would win. Gibbons is fighting all the time and is in first-class fighting condition. Packey has been out of the ring for a long time, has been married, has gone into business and has grown fat. At his best, McFarland might have offered Mike's advantage in weight and his great skill. But not now.

BILL LANGE'S NEPHEW  
TO PLAY WITH GIANTS.

SEATTLE, July 10.—Dick Kinnella closed a deal yesterday which gives the New York Giants first baseman George Kelly of the Victoria Club, Northwestern League. Kelly is a nephew of Bill Lange, famous Chicago center fielder. Kelly is 6 feet 3 inches in height, weighs 190, and is only nineteen years old.

Panama-Pacific  
Tennis Tournery  
Gets Under Way

SAN FRANCISCO, July 10.—The Panama-Pacific Exposition tennis tournament opens to-day with the East pitting four of its foremost players against California's well known stars.

The Easterners are two Harvard men, R. N. Williams, the national champion, and W. M. Washburn, rated among the first ten players of the United States, and two Princetonians, G. M. Church, the intercollegiate champion and Dean Mathey.

California will present Maurice E. McLoughlin, former national champion, from whom Williams won the title last year at Newport; R. L. Murray, Thomas Bundy, William Johnston, John Strachen and Clarence Griffin.

Melville Long, A. David Cupman, who played in Australia is another Californian who is expected to play, if an ankle recently injured in practice is strong enough.

FISTIC NEWS  
AND GOSSIP

By John Pollock

Jim Coffey, the Irish heavyweight, who has had a long run, is going to fight again on the night of Aug. 10. He would start sooner but his right hand, which he injured in a contest with Evans at Brighton Beach on May 21, is not good and strong again. Billy has matched Coffey to meet Randy Ferguson, the Boston heavyweight, in a twelve-round battle at the Atlas A. C. on the 10th.

Boxing shows will be held again at Madison Square Garden. The opening show will take place on the night of July 21 or 22, and the officials are trying to sign up Johnny Dundee, the best Italian lightweight, with some crack in the main bout. Loach Cross may be selected as Dundee's opponent.

Ad Wolcott will fight four times in the next four weeks if he carries out his present plans. He has signed to meet Gene Delmont at Memphis, Tenn., on the 15th; to meet Gene Delmont at Memphis, Tenn., on the 15th; to meet Gene Delmont at Memphis, Tenn., on the 15th; to meet Gene Delmont at Memphis, Tenn., on the 15th.

Joe Ascareo, the rugged California fighter, and Ralph Grunin, the clever lightweight of San Francisco, were matched last night at Jimmy Jones' place to meet in the star bout of ten rounds at the show of the St. Nicholas Ring A. C. on next Wednesday night. Grunin has made good in all his bouts since he came here from the Coast. They will box at 125 pounds, seven to ten at 125 P. M.

Tom Cowley, the heavyweight of Vancouver, B. C., whom Jim Coffey thinks so well of that he bought him here from Australia for first, is not much of a fighter. He is a first class boxer, but not much of a fighter. He is a first class boxer, but not much of a fighter.

A basketball tournament, consisting of three ten-round bouts, will be staged at the Fairmont A. C. on the 10th. The youngsters who have signed articles of agreement calling for a five-minute round will go from New York to New York to meet in the big race at the Fairmont A. C. on the 10th.

At McCoy, the middleweight champion, who has been summering in Stratford, Conn., with his family, will re-enter the ring shortly. McCoy has been offered a good financial inducement to meet the winner of the Jimmy Clabber-Snyder battle last night.

Heavyweights Tom Hoss of New Castle, Pa., and Jim Barry, who has been out of the country, have signed articles of agreement calling for a five-minute round to be staged by Jimmy Dine at New Castle, Pa., on next Monday night. Barry has recovered from his attack of illness and expects to be here.

DAREDEVILS IN AUTO  
RACES AT BRIGHTON

Louis Diabrow and Art Kline are the favorites for the feature events at the auto race meet to be held at the Brighton Beach race track to-night, both having entered in the sprint events and the 100-mile race. Diabrow, with his "Perry" "Zip," will go from New York to New York to meet in the big race at the Brighton Beach race track to-night.

Burns Resents Affront  
By Making Hit That Won  
Second Game for GiantsReds' Pitcher Passed Meyers So  
That He Could Get the Out-  
fielder, but Latter Upset His  
Plans.

By Bozeman Bulger.

NORMALLY George Burns is a quiet little fellow, and modest to a degree that sometimes proves irritating. But they mustn't go too far with George. (See case of Pitcher Schneider purposely passing Chief Meyers and nailing the bases to get at Burns.)

The affront was more than even the modesty of the hero of St. Johnsville could stand. For a moment he could not believe it true. But there it was: The Giants had lobbed on third, Snodgrass on second, one out and John Tortes Meyers coming up as a pinch hitter for Poll Peritt. Being somewhat new to our big league pastime, Schneider refused to act without the advice of counsel. There was a quick gathering in the center of the diamond. It was a quick decision. Schneider walked back to the box, motioned the catcher to one side and deliberately gave the Chief a base on balls. Burns, standing in waiting, was agitated. Having been led to believe himself the best hitter on the club, here they were passing up the Chief to have a crack at him!

The players gave Burns the laugh and his face reddened. Then George got mad. The ignominy was more than even his peaceful nature could stand. With more pep than he has shown for moons, George shed up to the rubber, took one swing from his shoetops and banged the ball against the right-field wall, scoring the two needed runs and winding up the pastime. The worst the Reds had expected of the Chief was a long fly or maybe a single that would drive in one run and tie the score. Moral: Don't monkey with a gun when you think it ain't loaded.

The winning of a double-header over the Reds jumped the Giants to sixth place, and they are now within striking distance of the Superbas. Another streak of real baseball like that and the gang will begin to take the chances of the Giants seriously. They are but eight games behind the Cubs, who are leading.

The first gun fired in the battle of the East against the West was a hard wallop for the contenders all along the line. While the Dodgers were trimming the Cubs the down-trodden Braves took the Cardinals into camp and tightened the race at both ends. The Phillies beat the

Charles Dooin was given a great reception when he appeared as Giant catcher in the second game. He had few chances to display his arm, but he managed to get a hit. Dooin was always a great favorite in New York and the fans were for him hook, line and sinker.

Carman Favorite in Big Race. Clarence Carman, favorite Leon Didier and George Wiley in the thirty mile motor-paced race which will be run to-night at the Sheepshead Bay Velodrome. Carman is the choice by virtue of his holding the championship and his ability to race at top speed over a distance of ground as well as in a sprint, but it is the first time this season that he has been up against such a class as Didier and Wiley. Didier, who holds the French title, stands undefeated this year and will make his first appearance at the new track this season.

St. Gabriel in Two Games. At St. Gabriel Oval, New Lots Road and Linwood Street, Brooklyn, to-morrow morning the St. Gabriel A. C. will play the J. & T. Cousins team. The morning the ball team of the 101st Company, Coast Artillery, will be the attraction. McNulty, Paulson and Walsh will occupy the mound for the "Saints," with Burke catching.
